The management is also responsible for:

- a. ensuring that maintenance of the security cover available for secured debenture holders is more than the cover required as per Offer Document/ Information Memorandum/Debenture Trust Deed in respect of secured, listed debt securities;
- b. Accurate computation of security cover available for secured debenture holders based on unaudited financial statements of the Company as on September 30, 2024;
- c. Compliance with the financial & other covenants of the Offer Document/Information Memorandum/Debenture Trust Deed in respect of secured, listed debt securities.

Auditor's Responsibility

4. Based on our examination of the security cover available for secured, listed debenture holders, which has been prepared from the unaudited financial statements as on September 30, 2024 and relevant records provided by the Company, our responsibility is to provide limited assurance that security cover available for secured, listed debenture holders has been maintained in accordance with Offer Document/ Information Memorandum/Debenture Trust Deed in respect of secured, listed debt securities.

Further, on the basis of our examination, our responsibility is to provide limited assurance that prima facie the Company has complied with the financial & other covenants mentioned in Offer Document/Information Memorandum/ Debenture Trust Deed in respect of secured, listed debt securities.

5. The procedures performed in a limited assurance engagement vary in nature and timing from, and are less in extent than for, a reasonable assurance engagement and consequently, the level of assurance obtained in a limited assurance engagement is substantially lower than the assurance that would have been obtained had a reasonable assurance engagement been performed.
6. We conducted our examination in accordance with the Guidance Note on Reports or Certificates for Special Purposes ("the Guidance Note") and Standards on Auditing issued by the Institute of Chartered Accountants of India (ICAI). The Guidance Note requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
7. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) - 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Service Engagements.

Conclusion

8. Based on our examination as mentioned above and according to the information & explanations given to us, nothing has come to our attention that causes us to believe that;
- a. the computation of security cover available for secured, listed debenture holders contained in the statement is not in agreement with the aforesaid unaudited books of account, and other relevant records and documents maintained by the Company.
